<b>LG27253-1</b>	27" X 250' 1" CORE / 250°	33.00

Laminating film is sold in increments of 4 rolls per box. Shipping is additional to price printed above.

Please Note – We do not ship laminating film to AK, HI, PR, or Guam due to high shipping cost.

## Overhead Projector Transparency Film - Write-on Acetate Sheets and Rolls

- » Write-on Acetate sheets transmit clear and precise (4.0mil & 7.0mil)
- » Write-on Acetate rolls eliminate the hassles of changing sheets and promote a continuous presentation (10 ¼" & 10 ½" wide x 50 feet)
- » Both sheets and rolls wipe crystal clean for re-use over and over again
- » General purpose film available for plain paper copiers, laser printers and inkjet printers

### **NEW High Heat Transparency Film - TF810**

Clear 5 mil high heat transparencies without stripe for Canon, Hitachi, Kodak, Toshiba and other high heat plain paper copiers and laser printers
